ART. 9. NEW STATE-WIDE REGISTRATION OF VOTERS

Sec. 43. STATEWIDE REVISION OF REGISTRATION BOOKS AND RELISTING OF VOTERS. Prior to the next State-wide primary election held after March 30, 1939 there shall be a revision made of the registration books and a relisting of the voters in each and every precinct in the State in the manner hereinafter provided. On the first Saturday following the appointment of the members of the County Board of Elections preceding the one thousand nine hundred and forty primary election, the members of each County Board of Elections shall, after due notice of their appointment has been received, meet at eleven o'clock A. M. in the office of the Clerk of the Superior Court of the county and, after first taking their oath of office, shall organize by electing one member as chairman and another member as secretary of said board. The said board shall at this meeting authorize the revision of the registration books and the relisting of the voters in each precinct in the county in accordance with the provisions of this article. The Clerk of the Superior Court shall, at this meeting, deliver to the Chairman of the County Board of Elections three new registration books and one new poll book for each precinct in the county, which new books shall have been furnished to said Clerk of the Superior Court by the State Board of Elections prior thereto together with a copy of this article. The cost of printing and distribution of said new books shall be paid for by the State out of the contingency and emergency fund. The said Clerk of the Superior Court shall, at this meeting, deliver to the said Chairman of the County Board of Elections the old registration books for each precinct in the county together with the poll books used in each precinct in the one thousand nine hundred and thirty-six and one thousand nine hundred and thirty-eight general elections, and he shall take a receipt from said chairman for the same. At this meeting the County Board of Elections shall authorize and direct the Chairman of the County Board of Elections, with the assistance of the registrars and any other necessary assistance to proceed with the relisting of the voters in the county, the cost of which shall be paid for by the Board of County Commissioners out of the county funds, but which shall be held to as low an amount as is consistent with the purposes of this article. The said Chairman of the Board of Elections shall begin said work within eight days after said meeting and supervise the same until it is completed.

1939, c. 263, s. 1.

Sec. 44. "GENERAL ELECTION REGISTRATION BOOK" FOR EACH PRECINCT. For each precinct the chairman shall have copied in a new registration book, to be known and labeled as "The General Election Registration Book," the names only of all registered electors who are shown by the poll book to have voted in such precinct in either the one thousand nine hundred and thirty-six or the one thousand nine hundred and thirty-eight general election or the primary election, except electors who are known by the chairman to have died or moved their voting residence, and to record in said book opposite each name, information available with reference to the race, age, residence, place of birth and the township, county and state from whence he has removed, in the event of a removal. The party affiliation of the voters shall not be entered in this general election registration book. When this is completed, there shall be prepared for each precinct in duplicate a list of all the registered voters whose names were not transferred to the new general election registration book for the reason that such electors did not appear, according to the poll books, to have voted in either the general election or the primary election of one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight. The said Chairman of the County Board of Elections shall thereafter publish said lists once a week for at least two consecutive weeks in a county journal or in his discretion have said lists posted at the courthouse door of said county at least two weeks prior to

the opening of the regular primary registration period notifying all persons on said lists that their names would be erased from the registration books unless such persons personally appeared before their respective registrars during the regular registration period and showed their right to remain on the registration book and vote as qualified electors in said precinct. In the event that either the one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight poll books for a precinct are lost and cannot be found then the chairman shall order a new registration of voters in such precinct before the primary election. In all counties having had a new county-wide registration of voters, either in the year one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight, the said chairman in said county is authorized to transfer to the new registration books the names of all persons registered therein regardless of whether any of the persons so registered voted in either of said elections or primary elections of one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight, except that the chairman shall remove from the books the names of all persons known by the chairman to have died or moved their voting residence elsewhere since said registration was held: *Provided, however,* that if the registration books in those counties having had a new registration within the time above mentioned do not show the party affiliation of the voter together with the other required information then the chairman shall order a new registration therein. In instances where the party affiliation is shown part of the time and is not shown in some cases, then the procedure set forth in the section 46 shall be followed: *Provided, further,* that in those counties having had a new county-wide registration of voters either in the year one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight, which registration, revision and re-listing of voters was performed in substantial compliance with the terms of this article, in the opinion of the Chairman of the State Board of Elections the said chairman will not be required to comply with the terms and provisions of this article.

1939, c. 263, s. 2.

Sec. 45. NEW REGISTRATION IN DISCRETION OF COUNTY BOARD. In lieu of the procedure prescribed in this article, any County Board of Elections in its discretion, may order a new registration of the voters in that county, or in any precinct or precincts therein: *Provided,* that in all cases the three registration books provided for in this article shall be made so that there shall be a general election registration book and a separate primary registration book.

1939, c. 263, s. 2½.

Sec. 46. REQUIRED INFORMATION MAY BE SUPPLIED BY REGISTERED PERSONS WHO VOTED IN 1936 OR 1938 GENERAL ELECTION. Where the registration books do not show in part the voters party affiliation, or age, race, residence, place of birth, etc., and the poll book for the precinct shows that such persons voted in either the one thousand nine hundred and thirty-six or the one thousand nine hundred and thirty-eight general election, or primary election, then the said chairman shall prepare a list of all such registered persons—including all of those absent from the county and employed outside of the county—and shall immediately mail a blank form to each of such persons whose address is given or known, instructing them to fill in the requested information on the blank return form enclosed and to return the same to the said chairman or registrar of the precinct by the close of the registration period or their names will be removed from the registration book. It shall then be the duty of the registrar to remove from the registration book the names of all such persons who fail to return the blank return form with the requested information by the close of the registration period. All blank return forms of this kind so received by the registrars shall be kept until after the primary election and thereafter filed with the said chairman along with the precinct returns as part of the public records in the chair-

man's office: *Provided, however,* that the provisions of this section shall not be mandatory as to any voter when the Chairman of the County Board of Elections with the assistance of the registrars, or from any available source of information can obtain the facts, set out in said section, required to be obtained by the Election Laws of the State; but in all cases the party affiliation shall be shown on the primary registration books in order for the voter to participate in the primary election.

However, in the event that any person, whose name has been removed from the registration book by said County Board of Elections as having been disqualified to vote in the precinct, should appear at the polling place on election or primary day and give satisfactory evidence to the registrar and judges that he had never received any notice by mail or otherwise of his name being placed among the list of disqualified voters in that precinct, and can satisfy said officials that he is qualified to vote in that precinct, then such person's name shall be placed back on the general election registration book and on the primary registration book if he declares his party affiliation as provided in Section fifty, and he shall be allowed to vote in said precinct as before.

1939, c. 263, s. 3.

Sec. 47. RETURN OF REGISTRATION AND POLL BOOKS TO CHAIRMAN OF COUNTY BOARD. On the day of the canvass of votes the registration books herein provided for shall be returned together with the poll books by the registrar to the Chairman of the County Board of Elections who shall have the care and custody of the same until they are placed in the hands of the registrar for the purpose of registration of voters or holding subsequent primary or general elections. Said Chairman of the County Board of Elections shall keep said books in a safe and secure place, a fire-proof vault if possible.

1939, c. 263, s. 3½.

Sec. 48. DEMOCRATIC AND REPUBLICAN PRIMARY REGISTRATION BOOKS. After the completion of the transfer of the names of registered electors to the general election registration book, as above provided, the Chairman of the County Board of Elections shall then transcribe to another new registration book to be labeled and known as "The Democratic Primary Registration Book," the names of all registered Democrats who are shown by the poll books to have voted in either the one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight general election or primary election, and on another registration book shall transcribe the names of all registered Republicans who voted in either of the above specified elections, which book shall be known and labeled as the "Republican Primary Registration Book." The names of all electors registered on the old books without any party affiliation being given, or who are registered as Independents, or who fail to show their age, race, place of birth, residence, etc., shall not be transcribed to either party primary registration book until the said chairman or registrar shall have received back the blank return form from such electors as above provided for giving the requested information, or shall have obtained said information otherwise as hereinbefore provided in Section forty-six of this Act.

Only the party primary registration book of the party participating in a primary election shall be used at the polls at a primary election and if only one party so participates then the other party primary registration books shall not be used or kept at the polls on primary day but shall, after the close of the registration period, be transmitted to the Chairman of the County Board of Elections along with the general election registration book. At a general election, only the general election registration book shall be used at the polls on election day, and after the close of the registration period the two party primary registration books shall be transmitted to the said chairman. In all registrations hereafter held before a primary or an election, the registrars shall register all qualified applicants for registration in both the general election registration book and also in the party primary

book of the party with which the elector professes affiliation, but the party affiliations shall not be recorded in the general election registration book. Any applicant for registration who refuses to state his or her party affiliation shall not be registered in a party primary registration book and shall not be permitted to vote in a primary until the affiliation is stated and so recorded in the primary book of such party.

1939, c. 263, s. 4.

Sec. 49. TRANSFER OF PERSONS REGISTERED UNDER THE "GRANDFATHER CLAUSE." The Chairman of the County Board of Elections shall transcribe to the new registration books the names of all persons who are recorded as having registered under the Grandfather Clause of the Constitution of North Carolina, regardless of whether such persons voted in either the one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight election. The said chairman however, shall not transcribe to the new books the names of any persons so registered who are known to have died or moved their voting residence elsewhere.

1939, c. 263, s. 5.

Sec. 50. CHANGE OF PARTY AFFILIATION. No registered elector shall be permitted to change his party affiliation for a primary or second primary after the close of the registration period. Any elector who desires to change his party affiliation for a primary from the registration book on which registered to that of another party shall, during the registration period only, go to the registrar of his precinct and request that such change be made on the party primary books. Before being permitted to change his party affiliation, for the purpose of participating in a primary election, however, such elector shall be required by the registrar to take the oath of party loyalty to the party to which he wishes now to affiliate, and the registrar shall thereupon administer to the said elector the following oath:

I, _____, do solemnly swear (or affirm) that I desire in good faith to change my party affiliation from the _____ party to the _____ party, and that such change of affiliation be made on the party registration books, and I further solemnly swear (or affirm) that I will support the nominees of the party to which I am now changing my affiliation in the next election and the said party nominees thereafter until I shall, in good faith, change my party affiliation in the manner provided by law, so help me God.

If at any time the Chairman of the Board of Elections or the registrar of any precinct shall be satisfied that an error has been made in designating the party affiliation of any voter on the primary registration books then and in all such events the Chairman of the County Board of Elections or the registrar, having custody of the registration book may make the necessary correction upon the voter taking the oath of party loyalty in substance of the form set forth in this section.

1939, c. 263, s. 6.

Sec. 51. WILLFUL VIOLATIONS MADE MISDEMEANOR. Any Chairman of a County Board of Elections who willfully and knowingly refuses or fails to comply with the provisions of this article with respect to his duties as herein specified shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine, imprisonment, or both, in the discretion of the court.

Any registrar who willfully and knowingly registers an elector in the wrong party primary registration book contrary to the direction of the voter; or any registrar who willfully and knowingly refuses to make the change in the affiliation from one party primary book to another party primary book at the request of an elector who has taken the oath prescribed in section fifty hereof; or any registrar who willfully and knowingly permits any person to vote in the primary of a party in whose registration book

such person is not registered; or any registrar who willfully and knowingly fails to comply with any of the duties placed upon him by this Article shall be guilty of a misdemeanor and shall be punished by a fine, imprisonment, or both, in the discretion of the court.

1939, c. 263, s. 7.

Sec. 52. REMOVAL OF CHAIRMAN OF COUNTY BOARD FOR VIOLATIONS; APPOINTMENT OF SUCCESSOR. The State Board of Elections shall have the authority to summarily remove any Chairman of a County Board of Elections who fails or refuses to comply with any of the duties placed upon him by the provisions of this article, and shall thereupon request the Chairman of the State Executive Committee to recommend a person to succeed the member removed from said County Board of Elections, which said person shall thereupon be appointed by the State Board of Elections as the Chairman of such County Board of Elections.

1939, c. 263, s. 8.

ART. 10. ABSENTEE VOTING IN GENERAL ELECTIONS

Sec. 53. REGISTRATION OF VOTERS EXPECTING TO BE ABSENT DURING REGISTRATION PERIOD. Any citizen of the State, not duly registered, who may be qualified to vote under the Constitution and laws of this State, and who expects to be absent from the county in which he lives during the usual period provided for registration of voters, may be registered as herein provided. The State Board of Elections shall furnish to the chairman of the county board of elections in each county a book for the registration of absent electors, which book shall contain separate columns for the name of elector, name of precinct in which elector resides, age, place of birth, race, and precinct in which elector last resided. It shall be the duty of the chairman of the board of elections in each county to register on said county registration book any qualified elector who presents himself for registration at any time other than the usual registration period, and who expects to be absent from the voting precinct in which he resides during the usual registration period, if found to be otherwise entitled to registration, in the same manner as now provided by law for the registration of voters before the precinct registrar in the usual registration period. The Chairman of the county board of elections shall, immediately after the appointment of a registrar, or registrars for any election to be held in his county, either legalized primary or general election, either for the county or for any political subdivision thereof, certify to the respective registrars in each of such precincts the names, age, and residence, place of birth, etc., of any electors registered on the said county registration book and thereby entitled to vote in such precinct; and it shall be the duty of the registrar in every such precinct to enter upon the regular registration book for such precinct the names of all such electors so certified to him by the chairman of the county board of elections, marking opposite the names of such electors the words "Registered before chairman county board of elections"; and electors so registered shall be entitled to vote in any election in such precinct in the same manner if registered by the precinct registrar.

1917, c. 23, s. 2; C.S. 5961.

Sec. 54. ABSENTEE VOTING IN GENERAL ELECTIONS. Any qualified voter of the State who finds that he will be absent from the county in which he is entitled to vote during the day of the holding of any general election, or who by reason of sickness or other physical disability will be unable to travel from his home, or place of confinement, to the voting place in his precinct, may vote in any such general election, in the manner as hereinafter provided.

1939, c. 159, s. 1.

Sec. 55. WRITTEN APPLICATION FOR OFFICIAL BALLOT. Such voter, not more than thirty days, nor less than two days prior to the date of such general election shall make application, in person, by some member of his or her immediate family (husband and wife, brother and sister, parent and child only) or by mail, in writing, to the Chairman of the County Board of Elections of his county, for an official ballot to be voted in such general election. *Provided* that said two days minimum shall not apply to voters becoming unexpectedly physically disabled to attend the polls. *Provided further*, that the thirty days maximum specified in this section above shall not apply to a qualified registered voter who is in the military, naval or other armed forces of the United States, and an application for an absentee ballot from such member of the armed or naval force shall not be required to be made on the form herein prescribed but may be informally made in writing, by card or letter, signed by the voter and mailed direct to the chairman of the county board of elections of the county in which voter resides. *Provided further*, that the provisions of this section shall be in addition to and not exclusive of the method of applying for ballots hereinbefore provided for.

Such application shall be made on a blank to be furnished by the Chairman of the County Board of Elections and shall be substantially in the following form:

Sec. 60. ABSENTEE BALLOTS WITH LIST OF SAME FOR EACH PRECINCT DELIVERED TO REGISTRARS ON ELECTION MORNING. On the morning of the day of a general election, the chairman of the county board of elections shall deliver, or cause to be delivered, to each registrar in the county, a list of all the absentee ballots received by him from absent voters for such precinct, and at the same time there shall be delivered to the registrars all of the absentee container return envelopes unopened for such precinct which the chairman has received back from the voters. The registrar shall post said list of absentee voters in a

public place at the polls where it may be inspected by any voter, which list shall be posted by twelve o'clock noon on election day.

1939, c. 159, s. 7; 1943, c. 751, s. 4.

Sec. 61. BALLOTS DEEMED VOTED UPON DELIVERY TO PRECINCT OFFICIALS; OPENING, DEPOSITING AND RECORDING; REJECTED BALLOTS; CHALLENGES. Absent voters ballots shall be deemed to be voted when delivered to the precinct officials, unless upon being opened and inspected it shall appear that the affidavit and jurat, or either, are not in due form, or that the name on the container envelope, the ballot and the chairman's certificate do not correspond. In either of which events, the ballot shall not be voted, nor counted. At any time during the day or, if more convenient, immediately upon the closing of the polls for the voting of voters in person, the recording of the absent voters names on the poll book and depositing the ballot in the ballot box shall be begun and the procedure shall be as follows:

(1) The name of the voter as it appears on the affidavit shall be called by one of the judges of the elections. If it be found that he is a qualified voter of the precinct, and no challenge is offered to the vote, the name shall then be recorded in the poll book, with the notation—"Absent Voter." A judge of elections shall then open the envelope by slitting it with a sharp instrument in such manner as not to destroy, tear or obliterate any part of the affidavit; the ballot shall be removed from the envelope without unfolding the same so as to disclose how the ballot is marked, and if the signature of the voter on the ballot or ballots corresponds with the name on the envelope and with the name set out in the chairman's certificate on the back of the ballot, such ballot, without examination as to how it is marked, shall be deposited in the appropriate ballot box, as other ballots are deposited; *provided, however*, that if the name on the envelope and the name on the ballot and in the chairman's certificate on the back of the ballot do not correspond, or if the affidavit and jurat are not in due form, said ballot shall not be deposited in the ballot box, nor counted, but returned to its envelope and marked—"Rejected."

(2) If an absent voter's ballot is challenged and the challenge is sustained, the ballot shall be returned to its envelope and marked "Challenge Sustained" and returned as provided for the return of rejected ballots.

All envelopes shall be carefully preserved, and, with the ballots marked "Rejected" and "Challenge Sustained," shall be filed with the Chairman of the County Board of Elections, at the time the returns from said precinct are filed, and shall be preserved, intact, by the Chairman of the County Board of Elections for a period of six months, or longer if any contest shall then be pending concerning the validity of any of the absentee ballots so delivered to him.

1939, c. 159, s. 8.

Sec. 62. CHALLENGED VOTER GRANTED RIGHT OF HEARING BEFORE COUNTY BOARD. The absent voter, whose ballot has been challenged, shall, upon notice, have the right to appear before the County Board of Elections on canvass day and be given the opportunity to sustain the validity, and if its validity is sustained, his ballot shall be counted and added to the returns from the proper precincts; *Provided*, that in case the voter is absent from the county or is physically unable to attend, such voter may act through any duly appointed representative.

1939, c. 159, s. 9; 1945, c. 758, s. 8.

Sec. 63. REGISTER OF APPLICATIONS DECLARED A PUBLIC RECORD. The register of applications for absent voters ballots, required to be kept by the Chairman of the County Board of Elections, shall constitute a public record and shall be opened to the inspection of any elector of the county, at any time within thirty days before and thirty

days after any general election, or at any other time when good and sufficient reason may be assigned for such inspection.

1939, c. 159, s. 10.

Sec. 64. CERTIFICATION WITHOUT ADMINISTERING OATH MADE MISDEMEANOR. Any person authorized to administer oaths, who willfully signs a certificate that any person has subscribed and sworn to an affidavit for use in obtaining an absent voters applications, or absent voters affidavit, or any other purported affidavit referred to and required by this article, when, as a matter of fact, he has not administered the oath to such person, shall be guilty of a misdemeanor, and upon conviction, shall be fined not less than one hundred dollars (\$100.00), or imprisoned not less than sixty days, or both, in the discretion of the court.

1939, c. 159, s. 11.

Sec. 65. FALSE STATEMENT UNDER OATH MADE MISDEMEANOR. If any person shall willfully and falsely make any affidavit or statement, under oath, which affidavit or statement, under oath, is required to be made by the provisions of this article, such person shall be guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than one hundred dollars (\$100.00), or imprisoned for not less than sixty days, or both in the discretion of the court.

1939, c. 159, s. 12.

Sec. 66. FALSE STATEMENT NOT UNDER OATH MADE MISDEMEANOR. You do solemnly swear (or affirm) that you are a citizen of the United States; that you are twenty-one years old, and that you have resided in this State for one year, and in this township (precinct or ward) for four months next preceding this election, and that you are not disqualified from voting by the Constitution and laws of this State; that your name is (here insert name given), and that in such name you were duly registered as a voter of this township; and that you are the identical person you represent yourself to be, and that you have not voted in this election at this or any other polling place: So help me, God.

And if he refuses to take such oath, when tendered, his vote shall be rejected; if, however, he does take the oath when tendered, his vote shall be received: *Provided*, that after such oath or affirmation shall have been taken, the registrar and judges may, nevertheless, refuse to permit such person to vote, unless they be satisfied that he is a legal voter; and they are hereby authorized to administer the necessary oaths or affirmations to all witnesses brought before them to testify to the qualification of a person offering to vote. Whenever any person's vote shall be received, after having taken the oath or affirmation prescribed in this section, the registrar or one of the judges shall write on the poll books, at the end of such person's name, the word "Sworn." The same powers as to the administration of oaths and affirmations and the examination of witnesses, as in this section granted to registrars and judges of election, may be exercised by the registrars in all cases where the names of persons registered or offering to register are objected to.

When an elector offers himself and expresses the desire to vote at a primary held under this article, he shall declare the political party with which he affiliates and in whose primary he desires to vote, as hereinbefore provided, and he shall then be furnished by the registrar ballots, as desired by him, of the political party with which he affiliates, which he may vote, and he shall not in such primary be allowed to vote a ticket marked with the name of any political party of which he has not declared himself to

be a member as herein defined; but any one may at any time any elector proposes to vote challenge his right to vote in the primary of any party upon the ground that he does not affiliate with such party or does not in good faith intend to support the candidates nominated in the primary of such party, and it shall be the duty of the registrar and judges of election upon such challenge to determine whether or not the elector has a right to vote in said primary; *Provided*, that he may vote for candidates for all or any of the offices printed on such ballot, as he shall elect, and he shall be required to disclose the name of the political party printed thereon and no more. He may in the manner hereinbefore prescribed mark such names as he desires, and these and only these shall be counted as being voted for by him, and he shall have the right to so vote for only one candidate as his choice for each office. If he be a qualified elector and has elected to vote in the primary of a party of which he has declared himself to be a member, as provided herein, he may deposit his ballots in the proper ballot boxes, or he may permit the registrar or a judge of election to so deposit them for him. Any person who has become of the age of twenty-one years between the time when the books closed for registration and the day of the primary election, and who is otherwise a qualified elector, and who desires to register and vote as a member of a political party, may do so in the manner herein provided.

At the time of voting, the name of the voter shall be entered on a primary polling book to be provided and kept for the purpose, under rules prescribed by the State Board of Elections, which said book shall be provided at the expense of the State for all State primaries and State elections and upon said book shall be entered, opposite the name of such voter and in proper column provided for the purpose, the name of the political party whose ticket he shall have voted, and said books shall be filed for safe-keeping until the next election, with the chairman of the County Board of Elections.

It shall be the duty of the county board of elections and of the judges and registrar in each precinct to make all necessary arrangements, by providing a proper number of places in each precinct whereby each voter shall have an opportunity, both at all primary and general elections, to arrange his ballot in secret and without interference from any other person whatsoever; and it shall be the duty of the judges of election and registrars holding primary and general elections to give any voter any information he may desire in regard to the kind of ballot which he may be entitled to vote and the names of the candidates thereon, and, in response to questions asked by him, they shall communicate to him any information which he may so desire in regard to the kind of ballot which he may be entitled to vote and the names of the candidates thereon, and, in response to questions asked by him, they shall communicate to him any information necessary to enable him to mark his ballot as he desires.

At the written request of the chairman of any political party of any county, the judges and registrar of any precinct shall designate the name of some elector in each precinct, if there be such elector who affiliates with such political party, who shall be furnished the opportunity to observe the method of holding such primary election; but such elector shall in no manner interfere with the method of holding such election or interfere or communicate with or observe any voter in casting his ballot, but shall make such observation and notes of the manner of holding such election and the counting of the ballots as he may desire: *Provided*, nothing herein contained shall be construed to prevent any elector from casting at the general election a free and untrammelled ballot for the candidate or candidates of his choice.

When the polls have been closed, the primary ballot boxes shall be opened in the presence of the registrar and both judges of election at the several precincts and such electors as may desire to be present: *Provided*, the registrars and judges may fix such space as they may consider reasonable and

necessary to enable them to count the ballots. The ballots of each of the several parties in the boxes in each precinct shall be counted and bound in separate packages, and the result shall be certified to the proper county board of elections and by them to the State Board of Elections upon blanks to be provided by the State Board of Elections at the expense of the State, within the time and, as near as may be, in the manner provided for the certification of the result of general elections.

In all cases where only one aspirant for nomination for a particular political office to be voted for by his political party on the State or district ballot or, for the State Senate in districts composed of two or more counties shall have filed such notice, the Board of Elections of the State shall, upon the expiration of the time for filing such notices, declare him the nominee of his party, and his name shall not, therefore, be placed on the primary ballot, but shall be placed on the ballot to be voted at the general election as his party's candidate for such office.

Sec. 140. WHEN RESULTS DETERMINED BY PLURALITY OR MAJORITY; SECOND PRIMARIES. In the case of all officers mentioned in this article nominations shall be determined by a majority of the votes cast.

If in the case of an office no aspirant shall receive a majority of the votes cast, a second primary, subject to the conditions hereinafter set out, shall be held in which only the two aspirants who shall have received the highest and next highest number of votes shall be voted for: *Provided*, that if either of such two shall withdraw and decline to run and shall file notice to that effect with the appropriate board of elections, such board shall declare the other aspirant nominated; *Provided, further*, that unless the aspirant receiving the second highest number of votes shall, within five days after the result of such primary election shall have been officially declared, and such aspirant has been notified by the appropriate board of elections, file in writing with the appropriate board of elections a request that a second primary be called and held, the aspirant receiving the highest number of votes cast shall be declared nominated by such appropriate board.

If a second primary be ordered by the State or a county board of elections, it shall be held four weeks after the first primary, in which case such second primary shall be held under the same laws, rules, and regulations as are provided for the first primary, except that there shall be no further registration of voters other than such as may have become legally qualified after the first primary election, and such persons may register on the day of the second primary, and shall be entitled to vote therein under the provisions of this article.

If a nominee for a single office is to be selected, with more than one candidate, then the majority within the meaning of this section shall be ascertained by dividing the total vote cast for all candidates by two, and any excess of the sum so ascertained shall be a majority within the meaning of this section.

If nominees for two or more offices (constituting a group) are to be selected, and there are more candidates for nomination than there are such offices, then the majority within the meaning of this section shall be ascertained by dividing the total vote cast for all of such candidates by the number of positions to be filled, and then dividing the result by two. Any excess of the sum so ascertained, shall be the majority within the meaning of

this section. If in ascertaining the result in this way, it appears that more candidates have obtained this majority than there are positions to be filled, then those having the highest vote, if beyond the majority just defined, shall be declared the nominees for the positions to be filled.

Where candidates for all the offices within such group do not receive a majority as defined and set out in this section, those candidates equal in number to the positions to be filled and having the highest number of votes shall be declared nominated unless a second primary shall be demanded, which may be done by any one or all of the candidates equal in number to the positions remaining to be filled and having the second highest number of votes. When any one or all of such candidates in the group receiving the second highest number of votes demand a second primary, such second primary shall be held and the names of all those candidates in the group receiving the highest number of votes and all those in the group receiving the second highest number of votes and demanding a second primary shall be put on the ballot for such primary. In no case shall there be a third primary, but the candidates receiving the highest number of votes in the second primary shall be nominated.

The ballots herein provided for shall be used for the purpose for which their names severally indicate, and not otherwise, that is to say:

(a). On the official Presidential ballot, the names of candidates for electors of President and Vice-President of the United States of any political party or group of petitioners, shall not be placed on the ballot, but shall after nomination, be filed with the Secretary of State. In place of their names, there shall be printed first on the ballot the names of the candidates for President and Vice-President of the United States respectively, of each

such political party or group of petitioners, and they shall be arranged under the title of the offices. The party columns shall be separated by black ink lines. At the head of each party column shall be printed the party name in large type and below this a circle one-half inch in diameter, below this the names of the candidates for President and Vice-President in the order prescribed. Each party circle shall be surrounded by the following instructions plainly printed: "For a straight ticket, mark within this circle."

If the State Board of Elections, in its discretion, should combine the Presidential ballot with some other kind of ballots, such as the State, Senatorial, or Congressional ballots, then in that event, there shall be printed at the left of the names of such candidates for President and Vice-President of each party or group, a single voting square large enough so that a voter, desiring to vote for candidates for other officers of another party, may vote for the candidates for President and Vice-President together in the one single square. When the Presidential ballot is combined with another ballot, instruction number two on the State ballot shall be included with the instructions given herein for the Presidential ballot.

On the face of the ballot, at the top, shall be printed in heavy black type the following instructions:

1. To vote a straight ticket, make a cross (X) mark in the circle of the party you desire to vote for.
2. A vote for the names of candidates for President and Vice-President is a vote for the Electors of that party, the names of whom are on file with the Secretary of State.
3. If you tear or deface or wrongly mark this ballot, return it and get another.

On the bottom of the ballot shall be printed the following:

At the left of each name shall be printed a voting square, and all voting squares shall be arranged in the same perpendicular line. Each party circle shall be surrounded by the following instructions plainly printed: "For a straight ticket mark within this circle." The column for any independent candidate or candidates shall be similar to the party columns, except that at the top of said column there shall be printed the words "Independent Candidates." The columns shall be arranged upon the ballots as directed by the State Board of Elections, as to all ballots herein required to be printed, and distributed by such State Board of Elections, and by the county board of elections with respect to all ballots required to be printed and distributed by the county board of elections. On the face of the ballot, at the top, shall be printed in heavy type, the following instructions:

On the official ballot for members of Congress, the names of the nominees or candidates for members of Congress, of each party, and of each independent candidate, if any, shall be printed and so arranged in columns as to show above such names the party with which all such nominees or candidates are affiliated. At the head of each party column shall be printed the party name in large type, and below this a circle one-half inch in diameter, and below this the names of the respective nominees, or independent candidates, if any. At the left of each name shall be printed a voting square, and all voting squares shall be arranged in the same perpendicular line. (b). On the official State ballot shall be printed the names of all candidates for State public offices, including candidates for judges of the Superior Court, and all other candidates for State offices not otherwise provided for. If two or more candidates are nominated for the same office for different terms, the term for which each is nominated shall be printed as a part of the title for the office. Each section shall be blocked in by black lines and the voting squares shall be set in a perpendicular column or columns to the left of each candidate's name. The printing on said ballot shall be plain and legible, and in no case shall it exceed in size ten point type.

On the face of the ballot, at the top, shall be printed in heavy type, the following instructions:

1. To vote a straight party ticket, make a cross (X) mark in the circle of the party you desire to vote for.
2. To vote a mixed ticket, or in other words for candidates of different parties, either omit making a cross (X) mark in the party circle at the

top and mark in the voting square opposite the name of each candidate on the ballot for whom you wish to vote; or, make a cross (X) mark in the party circle above the name of the party for some of whose candidates you wish to vote, and then mark in the voting squares opposite the names of any candidate of any other party for whom you wish to vote.

Sec. 157. NUMBER OF BALLOTS TO BE FURNISHED POLLING PLACES. The bystander sworn in to act as Registrar or Judge shall receive the same compensation as the Registrar is entitled to. One of the judges appointed for such purpose by the precinct election officers shall have charge of the ballots and furnish them to the voters in manner hereinafter set forth. The number of such voting booths shall be not less than one for each hundred voters qualified to vote at such polling places. Each voting booth shall be kept properly lighted and provided with proper supplies and conveniences for marking ballots. The county board of elections may provide buildings by lease or otherwise in which the elections are to be conducted, or they may cause a space not more than one hundred feet from the ballot boxes to be roped off, in which space no person shall be allowed to enter except through a way not exceeding three feet in width for the entrance and exit of voters. They may prescribe the manner in which the place for holding elections shall be prepared in every precinct so as to properly effectuate the purpose of this article. The judges of election and registrars of each precinct shall meet at the polling places therein at least one-half hour before the time set for opening polls for each election referred to in this article, and shall proceed to arrange the space within the enclosures set apart for election, and to prepare the booths for the orderly and legal conduct of the election. They shall then and there have the official ballot boxes, herein referred to, together with the boxes for ballot stubs and the boxes for spoiled ballots as hereinbefore provided, the sealed packages of official ballots, the registration book, the polling book, and the required supplies. They shall see that the polling booths are supplied with pencils, or pen and ink; unlock the official ballot boxes; see that the same are empty; allow the authorized watchers present and any other electors who may be present to examine said boxes, and shall lock the same again while empty. After such official ballot boxes are relocked they shall not be unlocked or open until the closing of the polls; and except as authorized by law no ballot or

other matter shall be placed in such boxes. Each judge of election and registrar shall before the opening of the polls take the following oath:

"I do solemnly swear that I will administer the duties of my office without fear or favor; that I will not in any manner request or seek to persuade or induce any voter to vote for or against any particular candidate or proposition, and that I will not keep or make any memorandum of anything occurring within the voting booth, except I be called upon to testify in a judicial proceeding for a violation of the election laws of this State; so help me, God."

This oath shall be administered at the time hereinbefore prescribed by the registrar to the two judges of election, and by one of them to the registrar. The same oath shall be taken before the registrar or judge by every person rendering assistance. They shall then open the sealed package of ballots, and one of the judges shall make proclamation that the polls are open and of the time when they will be closed. The election officials and ballot boxes shall at all times be in plain view of the qualified voters who are present, and a guard rail shall be placed not nearer than ten feet nor further than twenty feet from the said election officials and ballot boxes.

The arrangement of the polling place shall be substantially according to the following diagram, and shall conform as nearly thereto as the building or other place in which said election is held will permit:

- E. Entrance to voting place.
- X. Judge with ballots and box for spoiled ballots.
- B. Voting booths.
- Y. Polls book.
- Z. Ballot box.
- O. Box for stubs.

1929, c. 164, s. 19.

Sec. 166. DELIVERY OF BALLOT TO VOTER; TESTING REGISTRATION. The voter shall enter through the entrance provided, and shall forthwith give to the judge of election his name and residence. One of the judges shall thereupon announce the name and residence of the voter in distinct tone of voice. The registrar shall at once announce whether the name of such voter is duly registered. If he be registered, and be not challenged, or if he be challenged and the challenge decided in his favor, or if he take the requisite oath and be lawfully entitled to vote, the proper judge of election shall prepare for him one official ballot of each kind, folded by such judge in the proper manner for voting, which is: first, bring the bottom of the ballot up to the margin of the printing at the top of the ballot, allowing the margin to overlap; and second, fold both sides of the center, so that when folded the face of the ballot, except the one inch margin at the top thereof, shall be concealed, and so that the ballot shall be not more than four inches wide. Such judge shall then instruct the voter to refold the ballot in the same creases when he has marked it.

1929, c. 164, s. 20; 1931, c. 254, s. 13.

Sec. 167. MARKING BALLOT BY VOTER. The voter shall then go to one of the voting booths and shall therein prepare his ballot by marking in the appropriate margin or place a cross (X) mark opposite the name of the candidate or party of his choice for each office to be filled, or by filling in the name of the candidate of his choice in the blank space provided therefor, and marking a cross (X) opposite thereto. The voter may designate choice of candidate by a cross (X) or by a check mark, or other clear indicative mark.

1929, c. 164, s. 21.

Sec. 168. FOLDING AND DEPOSITING BALLOT; SIGNATURE OF VOTER IF CHALLENGED; DELIVERY OF POLL BOOKS TO CHAIRMAN. When the voter shall have prepared his ballot or ballots, he shall leave the voting booth with his ballot folded so as to conceal the face of the ballot, and keep it so folded, shall proceed at once to the judge of election designated to receive ballots and shall offer them to such judge who shall then deposit the ballots in the proper boxes; *provided, however*, that if the voter shall have been challenged and the challenge be decided in the voter's favor, before depositing the ballot or ballots in the proper boxes, the voter shall write his name on the ballot or ballots for identification in the event that any action should be taken later in regard to the voter's right to vote. After voting the voter shall forthwith pass outside the guard-rail, unless he be one of the persons authorized to remain for purposes other than voting. No ballots except official ballots bearing the official endorsement shall be allowed to be deposited in the ballot boxes or be counted. No official ballot folded shall be unfolded outside of the voting booth until it is to be counted. No person to whom any official ballot shall be delivered shall leave the space within the guard-rail until after he shall have delivered back all such ballots. When a person shall have received an official ballot from the judge he shall be deemed to have begun the act of voting, and if he leave the guard-rail before the deposit of his ballot in the box he shall not be entitled to pass again within the guard-rail for the purpose of voting.

The poll-books required to be kept by the judges of elections shall be signed by the judge at the close of the election, and delivered to the registrar who shall deliver them to the Chairman of the County Board of Elections.

1929, c. 164, s. 22; 1931, c. 254, s. 14; 1939, c. 263, s. 3½.

Sec. 169. MANNER AND TIME OF VOTING; SPOILED BALLOTS. On receiving his ballot the voter shall forthwith, and without leaving the enclosed space, retire alone, unless he be one that is entitled to assistance as hereinafter provided, to one of the voting booths, and without undue delay unfold and mark his ballots. No voter shall be allowed to occupy a booth already occupied by another, or to occupy a booth more than five

minutes in case all the booths are in use and voters are waiting. It shall be unlawful purposely to deface or tear an official ballot in any manner, or to erase any name or mark written thereon by a voter. If a voter wrongly mark or deface or tear a ballot he may obtain others successively one at a time, but not more than three of any one kind, upon returning to the judge each ballot so spoiled.

1929, c. 164, s. 23.

Sec. 170. WHO ALLOWED IN ROOM OR ENCLOSURE; PEACE OFFICERS. No person other than voters in the act of voting shall be allowed in the room or enclosure in which said ballot box and booths are, except the officers of election and official markers as hereinafter provided. In case of cities having duly enrolled policemen or peace officers, the city authorities may designate the officers to keep the peace at the polls on the outside of the enclosure in which is the ballot box. But in no event shall said policemen or peace officers come nearer to said entrance than ten feet, or enter the room or enclosure in which is the ballot box, unless specially requested to do so by the officers holding the elections, and then only for the purpose of preventing disorder; and at any time when requested to do so by said officers holding the elections, the said policemen shall retire from the room or enclosure in which is the ballot box, and to a point not nearer than ten feet to the aforesaid entrance.

1929, c. 164, s. 24.

Sec. 171. BALLOTS NOT TAKEN FROM POLLS; OTHER BALLOTS FOR SPOILED BALLOTS; DELIVERY TO COUNTY BOARD OF ELECTIONS. No person shall take or remove any ballots from the polling place before the close of the polls. If any voter spoils a ballot, he may successively obtain others, one at a time, not exceeding three in all, upon returning each spoiled one to the registrar, and the registrar shall deposit said spoiled ballot in the box kept for the purpose by him. Within three days after each election or primary the registrar of each precinct shall deliver to the county board of elections in an envelope to be furnished by the county board of elections for such purpose the spoiled ballots so deposited at such precinct, and shall at the same time in another envelope furnished for such purpose, deliver to the said county board of elections the unused ballots from said precinct. The county board of elections shall thereupon make a check to ascertain whether the total of such spoiled ballots and such unused ballots when added to the number of ballots cast at such precinct shall equal the total number of ballots furnished to the registrar of such precinct prior to such election or primary.

1929, c. 164, s. 25.

Sec. 172. ASSISTANCE TO VOTERS IN GENERAL ELECTIONS; APPOINTMENT OF MARKERS. Prior to the date of any election hereunder the county board of elections, together with the registrar of each precinct of each county, shall designate for each precinct therein a sufficient number of persons of good moral character and of the requisite educational qualifications, who shall be bona fide electors of the precincts for which they are appointed, to act as markers, whose duty it shall be to assist voters in the preparation of their ballots. The assistants or markers so appointed by the said county board of elections shall be so appointed as to give fair representation to each political party whose candidates appear upon the ballot. The chairman of the county organization of any political party may not more than ten days before any election to be held hereunder submit to the county board of elections the names of not less than ten qualified voters in any voting precinct of the county, and thereupon the markers or markers appointed to represent such party in said election at said voting precinct shall be selected from among those so named. Such persons shall remain within the enclosure prepared for the holding of elections, but shall not come within ten feet of the guard-rail, except when going to or returning from the booth with any elector who has requested assistance. Such marker or assistant shall not in any

manner seek to persuade or induce any voter to cast his vote in any particular way, and shall not make or keep any memorandum of anything occurring within such booth, and shall not, directly or indirectly, reveal to any other person how in any particular such voter marked his ballot, unless he, or they, be called upon to testify in a judicial proceeding for a violation of the election laws. Every such marker or assistant, together with the registrar and judge of election, shall, before the opening of the polls, take and subscribe an oath that he will not, in any manner, seek to persuade or induce any voter to vote for or against any particular candidate, or for or against any particular proposition, and that he will not make or keep any memorandum of anything occurring within the booth, and will not disclose the same, unless he be called upon to testify in a judicial proceeding for a violation of the election laws of this State. The said oath, after being first taken by the registrar, may be administered by him to the two judges of election and to the markers or assistants, as herein provided: **Provided**, that in all general elections held under the provisions of this article any voter may select another member of his or her family who shall have the right to accompany such voter into the voting booth and assist in the preparation of the ballot, but immediately after rendering such assistance the person so assisting shall vacate the booth and withdraw from the voting arena. This section is not applicable to primary elections.

1929, c. 164, s. 26; 1933, c. 165, s. 24; 1939, c. 352, s. 1.

Sec. 173. AID TO PERSONS SUFFERING FROM PHYSICAL DISABILITY OR ILLITERACY IN GENERAL ELECTIONS. Any person who, on account of physical disability, is obviously unable to enter the booth without assistance, or who on account of such disability, or because of illiteracy, or for any other good reason, shall request assistance from the registrar or judges of election, may, upon such declaration and upon his own request, have assistance from any one of the markers or assistants provided for in section 172. The voter may indicate which of the markers he desires to assist him; whereupon the registrar shall direct that the marker or assistant so indicated by the voter accompany said voter into the booth and give him such aid as may be requested in the preparation of his ballot, whereupon said marker or assistant shall withdraw from said booth and to his place within the rail, and shall not accompany the voter to the ballot box unless assistance be required on account of physical infirmity and such assistance is requested by the voter, or have any further conversation with said voter prior to the time that he deposits his ballot. In the event the voter does not request the assistance of any particular marker or assistant, then the registrar shall appoint from among the official markers or assistants some person to aid the voter in preparing his ballot. This section is not applicable to primary elections.

1929, c. 164, s. 27; 1939, c. 352, s. 1.

Sec. 174. ASSISTANCE TO ILLITERATE OR DISABLED VOTER IN PRIMARY. Any qualified voter entitled to vote in any primary, but who by reason of any physical disability or illiteracy is unable to mark his ballot may upon statement to the registrar of his incapacity and upon his request be aided by a near relative (husband or wife, brother or sister, parent or child, grandparent or grandchild), who shall be admitted to the booth with such voter, or if no near relative is present such voter may call to his assistance any other voter of his precinct who has not given aid to another voter, and who shall likewise be admitted to the booth with such voter; *Provided*, that if the voter needs and is entitled to the assistance as herein provided for, and there is no near relative present, or anyone else authorized hereunder to give assistance, the voter may call to his assistance the registrar or one of the judges of election: **Provided, further**, that any voter may upon his request be accompanied into the voting booth by a near relative (as above defined), and obtain such assistance from said member of the family as he may desire whether disabled or not. It shall

be unlawful for any person to give, receive, or permit assistance in the voting booth during any primary to any voter otherwise than as is herein provided for.

1939, c. 352, s. 2.

NOTE: The following opinion on this section was given by the Attorney General of North Carolina to the Chairman of the State Board of Elections by letter dated October 13, 1939:

"You ask my interpretation of the Marker Bill passed by the recent Session of the General Assembly. The provisions of this Act are applicable to primaries which will be held in the future. Under the provisions of the Act it is unlawful for any person to give, receive, or permit assistance in the voting booth during any primary to any voter otherwise than as provided therein.

"The Act repeals Code Sections 6055 (a26) and 6055 (a27), the present marker law, as to primaries. It does not affect elections. The above quoted provisions of the Act seem to be plain enough not to require any explanation. A question might arise as to what is an illiterate voter. Under the Constitution, Article VI, Section 4, and C. S. 5939 enacted in pursuance thereto, every person presenting himself for registration is required to be able to read and write any section of the Constitution, except those persons who are entitled to register under what is well known as the Grandfather Clause. Therefore, it is my opinion that only those persons who are registered under the Grandfather Clause are entitled to claim the right to request the assistance of a marker by reason of illiteracy.

"A question may arise also as to what constitutes physical disability. The Act says a person who by reason of physical disability is unable to mark his ballot, which means, in my opinion, any kind of physical disability which meets the requirements of the Act. It might be blindness, paralysis, or any other type of physical disability sufficient to cause the voter to be unable to mark his ballot."

Sec. 175. METHOD OF MARKING BALLOTS; IMPROPERLY MARKED BALLOTS NOT COUNTED; WHEN. The voter shall observe the following rules in marking his ballot:

1. If the elector desires to vote a straight ticket, or in other words, for each and every candidate of one party for whatever office nominated he shall, either—
 - (a) Make a cross mark in the circular space below the name of the party at the head of the ticket; or
 - (b) Make a cross mark on the left of and opposite the names of each and every candidate of such party in the blank space provided therefor.
2. If the elector desires to vote a mixed ticket, or in other words for candidates of different parties, he shall, either,
 - (a) Omit making a cross mark in the party circle above the name of any party and make a cross mark in the voting square opposite the name of each candidate for whom he desires to vote on whatever ticket he may be; or
 - (b) Make a cross mark in the party circle above the name of the party for some of whose candidates he desires to vote, and then make a cross mark in the voting square opposite the name of any candidates of any other party for whom he may desire to vote, in which case the cross mark in the party circle above the name of a party will cast the elector's vote for every candidate on the ticket of such party except for those candidates whose names are opposite the specially marked opposing candidates and the cross mark be-

fore the names of such opposing candidates will cast the elector's vote for them; provided that where there are group candidates for similar offices the elector may select and specially mark all of such candidates for whom he wishes to vote.

3. If the elector desires to vote for a person whose name does not appear on the ticket, he can substitute the name by writing it in with a pencil or ink in the proper place, and making a cross (X) mark in the blank space at the left of the name so written in. When a name is written in on the official ballot, the new name so written in is to be treated like any other name on the ballot. No sticker is to be used. Any name written in on an official ballot by any election official, or by any person other than the voter or a person rendering assistance to a voter pursuant to sections 172-3 or 4, shall be invalid, and the name or names so written in shall not be counted.
4. If the elector marks more names than there are persons to be elected to an office, or, if for any reason, it is impossible to determine the voter's choice for an office to be filled, his ballot shall not be counted for such office but shall be returned as a blank vote for such office.
5. If a voter shall do any act extrinsic to the ballot itself, such as enclosing any paper or other article in the folded ballot, such ballot shall be void.
6. No ballot shall be rejected for any technical error which does not make it impossible to determine the voter's choice.
7. Every elector who does not vote a ballot delivered by the election officer shall, before leaving the polling place, return such ballot to such officer.
8. A cross (X) mark shall consist of any straight line crossing any other straight line at an angle within a voting circle or square. A voter may designate his choice of candidate by the cross (X) mark or by a check mark, or any other clear indicative mark. Any ballot which is defaced or torn by the voter shall be void.

Sec. 176. OFFENSES OF VOTERS; INTERFERENCE WITH VOTERS; PENALTY. A voter who shall, except as herein otherwise provided, allow his ballot to be seen by any person, or who shall take or remove, or attempt to take or remove, any ballot from the polling place, or any person who shall interfere with, or attempt to interfere with any voter when inside said enclosed space, or when marking his ballot, or who shall remain longer than the specified time allowed by this article in the booth, after being notified that his time has expired, or who shall endeavor to induce any voter within the enclosure, before voting, to show how he marks or has marked his ballot, or aid, or attempt to aid, any voter by means of any mechanical device, or any other means whatever, while within the enclosure, in marking his ballot, shall be guilty of a misdemeanor and upon conviction shall be fined or imprisoned, or both, in the discretion of the court; and election officers shall cause any person committing any of the offenses herein set forth to be arrested and shall cause charges to be preferred against the person so offending, in a court of competent jurisdiction.

1929, c. 164, s. 30.

Sec. 178. READING AND NUMBERING THE BALLOTS; CERTIFICATE OF RESULT; DELIVERY OF BOXES TO BOARD OF ELECTIONS.

When the polls are closed the registrar and judge shall, in the presence of the watchers appointed by the respective executive committees of the several political parties and any other electors of the precinct who choose to be present open the box and count and record the number of the votes received by each candidate and on each question or measure. The said judge of election and registrar shall not adjourn or postpone the canvass of the vote in such precinct until it shall be fully completed. The judges of election may, at their discretion, open the ballots of absent electors immediately after the close of the polls, subject to the rights of challenge now allowed by law. A certificate setting forth the results of such election shall be signed by the registrar and judges of election. Upon the close of the counting of the ballots, as herein provided, the said election official shall replace said ballots in the official ballot box and lock the same. The County Board of Elections may appoint one clerk or assistant at any precinct in the county which has as many as five hundred qualified registered voters on the registration books in such precinct, and one additional such clerk or assistant for each additional five hundred qualified registered voters at such precinct. No other clerk or assistant shall be appointed for any precinct except as herein set out. SUBCHAPTER IV. ARTICLE VI. CONSTITUTION OF NORTH CAROLINA

SUFFRAGE AND ELIGIBILITY TO OFFICE

NOTE.—This Article of the constitution is printed in this pamphlet for the convenience of the registrars in applying the educational test of ability to read and write the constitution before being allowed to register.

Sec. 1. WHO MAY VOTE. Every male person born in the United States, and every male person who has been naturalized, twenty-one years of age, and possessing the qualifications set out in this article, shall be entitled to vote at any election by the people in the State, except as herein otherwise provided.

Sec. 2. QUALIFICATIONS OF VOTERS. He shall reside in the State of North Carolina for one year, and in the precinct, ward, or other election district in which he offers to vote four months next preceding the election: *Provided*, that removal from one precinct, ward or other election district to another in the same county shall not operate to deprive any person of the right to vote in the precinct, ward or other election district from which he has removed until four months after such removal. No person who has been convicted, or who has confessed his guilt in open court upon indictment, of any crime the punishment of which now is, or may hereafter be, imprisonment in the State's Prison, shall be permitted to vote, unless the said person shall be first restored to citizenship in the manner prescribed by law.

Sec. 3. VOTERS TO BE REGISTERED. Every person so offering to vote shall be at the time a legally registered voter as herein prescribed, and in the manner hereafter provided by law, and the General Assembly of North Carolina shall enact general registration laws to carry into effect the provisions of this article.

Sec. 4. QUALIFICATION FOR REGISTRATION. Every person presenting himself for registration shall be able to read and write any section of the Constitution in the English language. But no male person who was, on January 1, 1867, or at any time prior thereto, entitled to vote under the laws of any State in the United States wherein he then resided, and no lineal descendant of any such person, shall be denied the right to register and vote at any election in this State by reason of his failure to possess the educational qualifications herein prescribed: *Provided*, he shall have registered in accordance with the terms of this section prior to December 1, 1908. The General Assembly shall provide for the registration of all persons entitled to vote without the educational qualifications herein prescribed, and shall, on or before November 1, 1908, provide for the making of a permanent record of such registration, and all persons so registered shall forever thereafter have the right to vote in all elections by the people in this State, unless disqualified under section two of this article.

Sec. 5. INDIVISIBLE PLAN; LEGISLATIVE INTENT. That this amendment to the Constitution is presented and adopted as one indivisible plan for the regulation of the suffrage, with the intent and purpose to so connect the different parts, and to make them so dependent upon each other, that the whole shall stand or fall together.

Sec. 6. ELECTIONS BY PEOPLE AND GENERAL ASSEMBLY. All elections by the people shall be by ballot, and all elections by the General Assembly shall be *Viva voce*.

Sec. 7. ELIGIBILITY TO OFFICE; OFFICIAL OATH. Every voter in North Carolina, except as in this article disqualified, shall be eligible to

office, but before entering upon the duties of the office he shall take and subscribe the following oath:

"I, _____, do solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina not inconsistent therewith, and that I will faithfully discharge the duties of my office as _____, so help me, God."

Sec. 8. DISQUALIFICATION FOR OFFICE. The following classes of persons shall be disqualified for office: First, all persons who shall deny the being of Almighty God. Second, all persons who shall have been convicted or confessed their guilt on indictment pending, and whether sentenced or not, or under judgment suspended, of any treason or felony, or of any other crime for which the punishment may be imprisonment in the penitentiary, since becoming citizens of the United States, or of corruption or malpractice in office, unless such persons shall be restored to the rights of citizenship in a manner prescribed by law.

SUBCHAPTER VII. RULES ADOPTED BY STATE BOARD OF ELECTIONS GOVERNING CONTESTS WITH RESPECT TO ELECTIONS AND REMOVAL OF ELECTION OFFICIALS

ELECTION CONTESTS

1

When any controversy shall arise with respect to the counting of the ballots, or the certification of the returns of the vote, in any primary or general election, in any precinct or precincts, any candidate or elector desiring to make any complaint or protest regarding same shall make such protest in writing to the County Board of Elections on or before the time fixed by the statutes for the canvassing of the votes for such primary or general election by the County Board of Elections, and said County Board of Elections may determine the controversy at said meeting or at any time hereinafter specified.

If, after the canvass is completed by the County Board of Elections, any candidate or candidates, participating in such primary or election, demands a recount by the County Board of Elections in any one or more precincts in the county, and presents sufficient evidence by affidavit tending to show errors in the canvassing of said votes by the County Board of Elections, either because of an error in the tabulation thereof or because of the counting of alleged illegal ballots, in an amount alleged to be sufficient to change the results of the nomination or election of such candidate or candidates, then this demand for the recount must be made to the chairman or secretary of the County Board of Elections, in writing, by 6 o'clock p. m. on or before the second day following the completion of the original count by said County Board and the declaration by it of the results of said primary or election. The County Board of Elections shall thereupon, within the time prescribed, meet to consider this demand for a recount.

2

Such written protest shall specify the names of each voter whose vote is alleged to have been illegally cast, and shall state the reason or reasons assigned for such illegality.

3

If the protest is based upon any cause other than illegal votes alleged to have been cast, the exact nature of the protest shall be stated so that the County Board of Elections may be fully advised of the nature and character of each charge at the time of filing such written protest. It shall be the duty of the elector or electors filing the same to cause a copy thereof to be served upon the candidate or candidates whose vote in such primary or general election would be adversely affected if such protest should be sustained. The Chairman of the County Board of Elections may require notice to be served on other candidates or electors, or election officials, if in his opinion such others may be directly involved in the controversy.

4

It shall be the duty of the County Board of Elections, upon receipt of such protest or demand for a recount, to fix a time and place when such charges will be heard by it, and said Board may in its discretion allow the evidence to be presented in affidavit form, or it may subpoena witnesses and examine them in person.

If said protest or demand for a recount involves the nomination of a candidate in a first primary, and there are more than two candidates participating in said primary for the nomination to said office, then the date of the hearing by said County Board must be held, and its decision thereon must be made, within sufficient time for the holding of the second primary on the date specified by law to determine the nomination of the candidate for said office.

5

After hearing the evidence, the County Board of Elections shall pass upon the same, and after having done so it shall be its duty to record its findings and conclusions in its minutes and proceed to certify the results of such election, as required by law. Upon hearing the evidence the County Board of Elections, by a majority vote of its members, may submit its findings of fact to the State Board of Elections for instructions from the State Board of Elections with respect to any conclusions of law arising upon such facts, and it shall be the duty of the State Board of Elections, either through its chairman or executive secretary or a majority of its Board, to advise the County Board with respect thereto.

6

Either party to such protest before the County Board of Elections, acting as a canvassing board, may appeal from its findings of fact or conclusions of law to the State Board of Elections; whereupon it shall be the duty of the State Board of Elections to fix a time and place for hearing the controversy *de novo*.

Appeals to the State Board of Elections, from the decisions of the County Board of Elections, shall be perfected within two days after the decision is rendered by the County Board of Elections in a first primary and five days in a second primary or general election, and the appellant's statement of his case on appeal shall, within said two or five-day period, be mailed to the Chairman or Executive Secretary of the State Board of Elections, together with an extra copy of same for the appellee.

7

Upon such appeal from the County Board of Elections, the State Board of Elections may require the evidence to be presented to it in affidavit form, or at its election it may subpoena and examine witnesses, or both, but the charges investigated shall be only those contained in the original written protest and answer of the respondents, except as to amendments allowed or directed by the State Board.

8

The findings of fact and conclusions of law of the State Board of Elections shall be made in writing and a copy thereof furnished to the protestants and respondents, and one copy filed with the Executive Secretary of the State Board of Elections as a permanent record in said office.

9

Neither the County Board of Elections nor the State Board of Elections will investigate or conduct any hearing of charges or protests frivolous in nature, or which in the opinion of either Board have been filed for the mere purpose of delay, or which have not been made in good faith.

When any charges are preferred either before the County Board of Elections or the State Board of Elections, with respect to the canvass of the vote in any primary or general election, pending the hearing an examination or inspection of the ballots and other official documents of the election officials shall be permitted under such conditions as the Board may prescribe in each particular case, great care being exercised in each instance to preserve all ballots and official records and papers.

CHARGES AGAINST MEMBERS OF COUNTY BOARD OF ELECTIONS

1

Any elector desiring to prefer charges with the State Board of Elections against a member of any County Board of Elections may do so by filing with the Board a statement, in writing, verified by the oath of the elector, which statement must contain:

(a) The name and postoffice address of the official against whom the charges are preferred.

(b) A brief, intelligent statement of the facts constituting the official misconduct alleged, with a reference to the date and place of such misconduct.

(c) The names and addresses, so far as may be known to the person filing the charges, of persons who have knowledge or information of the matters referred to in the charges as filed.

2

If the charges thus filed show prima facie a violation of the election law, a breach of official duty, a participation in intentional irregularities, incapacity or incompetency to discharge the duties of the office, the State Board of Elections will cause notice thereof to be given to the official against whom the charges are preferred, by mail or by such other methods as the Board may adopt, of such charges and name a day and place for the hearing thereof.

3

At such hearing the persons preferring such charges shall appear, and by affidavits, unless otherwise ordered or permitted by the Board, present the evidence tending to support the charges. Such affidavits must be served on the official against whom such charges have been filed, by the person filing the charges, at least three days before the time set for the hearing.

4

The official against whom charges are preferred shall have the right to be heard by affidavit, or otherwise as the Board may direct, in denial, rebuttal, explanation, or extenuation of the charges.

5

The inquiry shall be confined to the charges as filed, but the Board, as a matter of course, may of its own motion investigate any matter coming to its attention or notice as the result of hearing said charges.

6

Either party may make application to the Chairman of the Board for subpoenas for witnesses to be heard orally at such hearing; but such application, in addition to listing the names of the witnesses, shall contain a brief statement of what is expected to be proved by each witness and the reason for not obtaining the affidavit of such witness or witnesses. If, upon such application for subpoenas, the Chairman of the Board is of the opinion that the oral evidence of such witnesses will be helpful to the Board, subpoenas will be issued for the personal appearance of the witnesses, and if required by the subpoena, the witness shall produce such books, papers, or records as may be called for in said subpoena.

CHARGES AGAINST ANY PRECINCT ELECTION OFFICIAL

1

Any elector may file with the Chairman of any County Board of Elections charges against any precinct election official, and the County Board of Elections shall, in the hearing of such charges, adopt the same procedure as is prescribed herein for hearing of charges filed with the State Board of Elections against a member of the County Board of Elections.

2

Upon the filing of such charges with the County Board of Elections, the Chairman of such Board shall forthwith set the date for the hearing of such charges and immediately transmit to the State Board of Elections a copy of such charges, advising this Board of the date set for the hearing, and at once, after the hearing, advise the State Board of the disposition made by the County Board of the charges thus heard.

From the decision of the County Board the petitioning elector, or responding official, may appeal to the State Board of Elections, when the matter will be heard *de novo*, under the rules prescribed for hearing before the State Board.

SUMMARY INVESTIGATION

The State Board may, whenever the circumstances of any matter pending before it may indicate the necessity therefor, suspend these rules and proceed in a summary manner to make any inquiry or investigation which in its judgment may be necessary or desirable for the prompt and efficient enforcement of the laws pertaining to elections, and the proper performance of their duties by election officials.

REPORTS OF EVIDENCE TENDING TO SHOW CRIMINAL VIOLATION OF ELECTION LAWS TO BE MADE TO PROSECUTING OFFICERS

The State Board of Elections and every County Board of Elections, upon the completion of any hearing with respect to the violation of the election laws, shall report in writing to the appropriate prosecuting officer a resume or summary of all evidence heard by such Board which tends to show that any person or persons probably have been guilty of one or more violations of the election laws, the violation of which is made a crime by law. A record shall be kept by such Board of all such reports to such prosecuting officers. Upon request by any prosecuting officer, the written evidence heard by either Board shall be made available for his examination and official use.

These rules were adopted by the State Board of Elections on the fourteenth day of September, 1934.
